

KENTUCKY PHYSICIANS LEADERSHIP INSTITUTE

2024 Program Application

The Kentucky Physicians Leadership Institute, an initiative of the Kentucky Foundation for Medical Care and the Kentucky Medical Association, is designed to enhance the leadership skills of physicians who can fill emerging leadership roles and influence health care policy in the ever-evolving world of medicine. The Institute has been recognized at the state and national level for its innovation in leadership development. Our graduates have gone on to serve on professional boards, advocate for organized medicine in Frankfort, provide clinical expertise to legislators and participate in print and television media interviews. We invite you to apply today and become a part of our illustrious group of graduates.

SECTION E – 2024 SCHEDULE

The Personal Side of Leadership Friday, July 12 - Saturday, July 13

Introduces participants to many of the critical interpersonal skills associated with being a catalytic leader. The emphasis is on developing a leadership mindset regardless of formal role or position within an organization. Particular attention is given to self-awareness and the impact this factor has on interactions with others.

The Business of Leadership Friday, July 26 - Saturday, July 27

Introduces participants to the structure and language of business. Participants gain an understanding of components of healthcare organizations and engage in an in-depth financial analysis of system organizations.

From Leadership to Advocacy Friday, August 9 - Saturday, August 10

Introduces participants to the critical role advocacy plays in ensuring access to health care at the community level. Participants learn how fundraising, lobbying and the general political process shape the availability of healthcare within a community. Particular attention is given to ways in which participants can play a more active role in this process.

Communication in Leadership Saturday, August 24

Introduces participants to considerations of communication with specific focus on social media platforms and how to utilize social media to leverage public health and legislative agendas. Attendees will explore best practices for communication in a virtual setting.
